Next step is really using our story.....

From Pilot to Aviator

The path to safe and enjoyable flying

Purpose Setting clear goals for what you want to achieve as an aviator and then tailoring your activities to meet them.

Ready to Fly

Mindset

Having the mindset as both an individual and GA Community to maximise our approach to safe flying, learning and development.

People

Define your goals as a pilot and then develop the competence to get the most out of your flying.

Aircraft

Ensure that your aircraft is airworthy, then using apps, tools and technology to help you have a safe flight.

Fly Safely

Flight Scenarios

Consider the specific flight you are planning to take, plan ahead for any specific challenges that may occur.

Risks

Identify risks you might face so that you can make the appropriate decisions to complete every flight safely.

Learning

Have a positive approach to learning and discuss situations within your flying club or with other pilots.
